Common Mistakes & False Friends

Warning: These words look similar but have very different meanings!

English Word	Dutch Trap	Actual Meaning	Correct Dutch
Brave	Braaf	Well-behaved/obedient	Dapper
Eventually	Eventueel	Possibly/perhaps	Uiteindelijk
Blank	Blank	White/pale-skinned	Leeg
Chief	Chef	Boss/supervisor	Hoofdman
Act	Akte	Document/certificate	Handeling
Slim	Slim	Smart/clever	Slank

Cultural Notes:

Direct communication: Dutch people are famously direct. What may seem blunt is considered honest and efficient.

Total Football philosophy: The Netherlands is home to Total Football - expect players to understand positional fluidity and pressing concepts.

Informal address: Use "je/jij" (informal you) with players and even parents in sports settings. "U" (formal) sounds overly stiff.

Punctuality: Like Germans, Dutch people value being on time.
